INSTRUCTURE

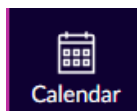

Login with your email address and password. If you do not know your password click the "Forgot Password?" link at the bottom.

Please note an account has been created based on the email address used to sign up to Caremonkey. You will need to use this email address to reset your password.

The first thing you will see is the Canvas Dashboard. This should contain all the courses that the student you are responsible for is enrolled in.

Click the

Button on the Left-hand side

On the top right-hand side press the

Agenda

button to get a list view of all the current homework/assignments which are currently allocated.

Click on any individual item to get further details about it.
